## Not your ordinary car wash

**Quick...** You don't have to get cold, wet or even out of your car! Each wash gets you in and out within 3 minutes, every wash, every time.

**Clean...** Unique wash technology as used by leading car manufacturers around the world. No Brushes, Scratch free, Guaranteed.

**Green...** Our unique biological water restoration system means we only use 25 liters of fresh water for each car wash. That is 70% less water than the average shower! Hard on dirt, easy on Earth.
