## Quick and clean

WASHING your car is neither difficult nor costly at Grand Wash Auto, manager Alfie Pezzi says.

Just pull up at one of the touch-screen video interactive pay stations which accepts cash, credit cards, customised fleet, gift cards or the outlet's exclusive FastPass tags and follow the on-screen instructions.

Within three minutes you will drive out of the fully automated, conveyerised ride-through wash tunnel with your car sparkling.

"If you want to clean the inside of your vehicle you can use one of 15 complimentary vacuums," Mr Pezzi said.

He said Grand Wash Auto offered a unique, new and fresh approach not seen before in Australia that blended technology, consistency,

convenient, speedy car wash service at a value that was accessible to all car owners.

"At Grand Wash Auto we designed our wash process to be the safest, cleanest and quickest possible using the latest technology available," he said.

"Only chemicals that are safe for your vehicle and the environment are used.

Director Lee Sadiku said the family owned and operated business was committed to quality service, convenience and exceptional value.
