## **Grand Wash Auto to Hold Free Car Wash Day On May 2 to Benefit Olivia Newton-John Cancer and Wellness Centre Appeal**

**Grand Wash Auto** announced it will offer free carwashes on Sunday May 2 at its car wash location in Thornbury. Customers who visit the Grand Wash Auto facilities between 9 a.m. and 5 p.m. will receive a complimentary express wash and be encouraged to make donations in support of **Olivia Newton-John Cancer and Wellness Centre Appeal**, a move closer to creating a truly comprehensive cancer centre to help change the way the whole person is treated.

In addition to customer donations, Grand Wash Auto will donate \$1 for every customer who upgrades from the free express wash package to the car wash's Best Wash package. All wash packages take three minutes to complete, and self-serve vacuums are available for free.

Grand Wash Auto is located at 347 Darebin Road Thornbury, map and directions can be found on the company's [Web Site](#).

"This is an exciting first for us," said Alfie Pezzi, Manager of Grand Wash Auto. "We wanted a way to show appreciation for our loyal customers while also raising money and awareness for the Olivia Newton-John Cancer and Wellness Centre Appeal, a truly special place that touches the lives of so many families."

"We are thrilled and appreciative of the efforts being made by Grand Wash Auto to raise funds for our appeal," said Sharon Hillman, director of fundraising. "Together, we can establish a new way of treating cancer patients – treating mind, body and spirit with patient-centred medical care, wellness therapies and global research for better treatments and cancer vaccines – so that one day a cancer diagnosis will not be the fearful disease it is for so many today around the world. We hope Grand Wash Auto customers will join the appeal in the fight against cancer by donating to help a way forward in cancer treatment – one towards wellness."
