Dear Mr Pezzi

Thank you for taking interest in and actively supporting the Olivia Newton-John Cancer and Wellness Centre Appeal (ONJCWCA) at Austin Health. Your donation is very much appreciated and will help ensure the Olivia Newton-John Cancer and Wellness Centre becomes one of the world's truly great cancer centres.

For your further information we are pleased to enclose an information pack on the Olivia Newton-John Cancer and Wellness Centre, to share with you in more detail, the exciting plans for the new Centre.

The Olivia Newton-John Cancer and Wellness Centre will take an approach to cancer care unseen in this country before now. The Centre will be dedicated to catering not just to a patient's clinical needs, but also to their emotional & spiritual needs also. By using music therapy, massage, meditation, yoga and Tai Chi, in conjunction with traditional clinical cancer treatments, patients can begin to heal both body and mind.

The Centre will also undertake world-class research into the causes and treatment of cancer in collaboration with the internationally renowned Ludwig Institute for Cancer Research.

Please convey our sincere appreciation to everyone who was involved in making your fundraising event so successful. Your continued support is very much appreciated. It is only through the actions of people like you and Olivia that we achieve improved care for people with cancer.

Best wishes

Sharon Hillman FFIA
Director of Fundraising
